Community Plan Outreach Workshop

Topic: What We Value

March 28, 2016

6:30-8:30pm

San Bernardino County Fire Station 91

COUNTYWIDE PLAN
Mountain Community Plan

COMMUNITY PLANNING PROCESS

- Where we came from?
 - Workshop #1 we received excellent information about your community and your values and aspirations
- Where we are?
 - Tonight we are going review what we heard and ask for more clarity
- Where we are going?
 - Workshop #3 we will check in on what we hear tonight and you will create an Action Plan for the community to move forward

AGENDA

- About the Community Plan
- What We Heard: Workshop 1
- Group Activity 1: Land Use/Values and Aspirations
- Group Activity 2: Goals and Objectives
- Group Presentations and Prioritization
- Wrap up and next steps

COMMUNITY PLANS

■ **What Community Plans will address**

- **Community Profile**
- **Community Values**
- **County Services**
- **Action Plans**
- **Policy Direction**
- **Land Use, Mobility, and Infrastructure**

■ **What it means for the Community**

- **Guide your community's future**
- **Identify what is valued**
- **Target what to improve and maintain**
- **Develop tools to take action**

WHAT WE HEARD: WORKSHOP 1

■ STRENGTHS

- Natural environment (wildlife, habitat, National Forest)
- Community pride and involvement
- Quality of life with low population, infrastructure, and services
- Tourist destination
- Tourism and Ecotourism
- Entrepreneurship/ Home-based business
- Extended learning, trade schools, adult education
- Improved infrastructure and services

■ OPPORTUNITIES

WHAT WE HEARD: WORKSHOP 1

■ WEAKNESSES

- Declining population (fewer families/students)
- Lack of quality employment
- Lack of services (law enforcement, fire protection, senior services)
- Income inequality of residents

■ THREATS

- Natural disasters (drought, fire)
- Excessive sober living/drug rehabilitation facilities
- Regulations that are not applicable to mountain area
- Declining socio-economic conditions

VALUES

- VALUES
 - The natural alpine beauty of the surrounding environment.
 - The tranquil, small-town lifestyle.
 - Outdoor recreation offers a variety of tourist opportunities.
 - Community involvement and diversity.
 - Preserving quality of life for all residents.
 - Creating positive relationships with visitors.

ASPIRATIONS

■ ASPIRATIONS

- Enhance the sense of community and connection to the environment.
- Utilize infill and revitalization to create a vibrant local economy that maintains the area's economic well-being.
- Increase the tourism industry while maintaining the natural beauty of the communities.

Group Activities

GROUND RULES

- Respect opinions you may not share
- Speak up, but share the time we have together with other voices
- Listen to the direction of your facilitator and table leaders
- Have fun!

GROUP ACTIVITIES OVERVIEW

- ACTIVITY 1: BREAK-OUT STATIONS
 - Land Use
 - Values and Aspirations Statements

- ACTIVITY 2: SMALL GROUP
 - Develop Goal and Objectives
 - Group Presentations
 - Prioritization

ACTIVITY 1: BREAK OUT STATIONS

- Two stations around the room:
 - Land Use
 - Values and Aspirations Statements
- Team member at each station to guide you through the activity
- Stop when the bell rings!

DEVELOPING GOALS AND OBJECTIVES

- **Goals** explain what you want to achieve in your community.
- **Objectives define** strategies or implementation steps to attain the identified **goals**.

DEVELOPING GOALS AND OBJECTIVES

- Start with your existing Community Plan goals and objectives:
 - What is working?
 - What should be removed?
 - What are the steps to achieve the goals?

ACTIVITY 2: GOALS AND OBJECTIVES

- Each person writes one goal or objective per sticky note
- Share your ideas with the group
- Group common goals together

ACTIVITY 2: GOALS AND OBJECTIVES

- Identity roles:
 - Presenter
 - Timekeeper
 - Groupers/Recorder

- Stop when the bell rings!

Group Presentations

PRIORITIZATION

- Each person will have 6 resource dots to “vote” on their top goals and objectives.
- You can spend all of your dots on one goal or spread them out among many goals.

NEXT STEPS

Mark your calendars!

The next workshop will be

July 20, 2016

6:30 – 8:30 p.m.

San Bernardino County Fire Station 91

Thank you for coming!
